

# THE NFB AND GENDER PARITY

---

The National Film Board of Canada (NFB) has made concrete commitments to gender parity that are well on their way to being fulfilled. These measures must have a lasting impact to ensure that talented, visionary women from every generation and all backgrounds have an equal voice and role in the U X[cj ]gj U industry.

# THE NFB'S COMMITMENTS

By 2019:

**50%**

of NFB productions will be directed by women

**50%**

of all NFB production spending will be allocated to films directed by women

By 2020:

women will occupy **50%** of key creative positions for animated, documentary and interactive works in production at the NFB

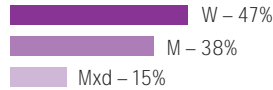

Track the results of the NFB's parity commitment online:
